POCHAMPELLY MANIKANTA

IIM Bangalore BBA (DBE) | B.E. AI & ML | Business Development & Outreach

Hyderabad, India | 9985221966 | pochampellymanikanta@gmail.com

PROFILE

Outreach-driven business student with an AI/ML engineering foundation. Proven at outreach, from cold calls to college pitches, converting prospects into registrations, and running high-energy tech events end to end. Looking to build industry partnerships that connect campus with corporate India.

EDUCATION

BBA – Digital Business & Entrepreneurship (DBE) *IIM Bangalore*

B.E. – Artificial Intelligence & Machine Learning *MVSR Engg. College, Hyderabad*

Class XII (State Syllabus) – 95%+ *2025*

Class X (State Syllabus) – 10 CGPA *2023*

EXPERIENCE

Corporate Committee Coordinator *INSPIRA, IIT Hyderabad | 28–29 March*

- Drove corporate outreach with **150+ cold calls**, converting prospects into **47 direct paid/event registrations**.
- Pitched the event as part of a team across multiple colleges, going campus to campus to encourage students to participate.
- Ran on-ground operations for **Ideathon (Day 2)** and **Codethon (Day 3)**, keeping schedules and participants on track.

Business Development Intern *Studfl*

- Supported business development and client outreach in a fast-paced startup environment (1-month internship).

Event Coordinator & Technical Lead *MVSR Engineering College*

- Coordinated the **Idea Pitching Competition** from planning through execution.
- Managed the **live digital scoring platform** during the competition while running participant registrations and check-in.
- Handled registration intake through the **Luma** and **Unstop** event pages and maintained the full registrant database, including each participant's college.

EVENT VOLUNTEERING

- **AI Hackathon, T-Hub Hyderabad** – supported participants and event flow at India's leading startup hub.
- **Multi-day SaaS AI Hackathon, BITS Pilani Hyderabad Campus** – volunteered across a multi-day hackathon.

SKILLS

- **Business:** Corporate outreach, cold calling, lead conversion, partnerships, business development
- **Operations:** Event coordination, hackathon management, stakeholder follow-up, team coordination
- **Technical:** AI & ML foundation, event platforms (Luma, Unstop), registration and data management
